

DENTAL INSURANCE OFFICE POLICY

Eagle Crest Pediatric Dentistry accepts most dental insurance plans.

Our fee for services are the same for all patients whether or not they have dental insurance coverage. As a courtesy to our patients we will be happy to complete and submit your insurance carrier forms for dental treatment.

Please be aware that most dental insurances do not cover dental procedures at 100% coverage. Depending on your insurance policy, you will have co-insurance payments at the time services are rendered.

Our office does not determine the benefits derived under your policy. This is an agreement between your employer and the insurance carrier.

The office of Eagle Crest Pediatric Dentistry only submits dental insurance claims and accepts insurance payment from primary dental insurance plans and companies. If the patient has two or more dental insurance plans, the account balance will be due after the primary insurance has been paid. The secondary insurance will reimburse the insured subscriber.

In the event that your insurance carrier is slow to pay or disallows the claim, you are responsible for payment of the account.

If you do not have insurance, financial arrangements are to be made with our office prior to commencement of treatment, otherwise payment in full is due from the parent at the time of the visit.

We also accept all out-of-network insurance and as a courtesy to you, we will submit your insurance claim for direct reimbursement to you. Payment of our fees will be due at the time of service.

PAYMENT AT THE TIME OF SERVICE FOR ALL FEES: Cash, check, M/C, VISA and DISCOVER cards are accepted.

In the event your have a balance remaining after your insurance carrier pays your claim, you will be sent a statement of the balance due. All balances are due in full upon receipt of our statement. A finance charge of 1.5% (annual 18%) will be applied to any unpaid balance after 30 days from the receipt of insurance payment.
